

he **Lyme Disease Association of Southeastern Pennsylvania, Inc.** (LDASEPA) is a not-for-profit 501(c)(3) Pennsylvania corporation founded in 2003 to provide tick-borne disease education and support to people in our community. We are an affiliate of the national Lyme Disease Association.

We have monthly meetings, free and open to the public, on the third Wednesday of every month at the Kennett Friends Meetinghouse, Route 82 (one-half mile south of Route 1). Our meetings start at 7PM with a discussion and support session, followed by a featured speaker. We also sponsor occasional larger seminars on a weekend featuring the world's top Lyme experts.

Our plain language booklet, *Lyme Disease and other Tick-Borne Diseases:THE BASICS*, has been requested by over 65,000 people all over the U.S. The booklet is free and available at our meetings, at the Pocopson Post Office, and on our Web site.

We also have a local telephone hotline number where you can ask questions, request information, or get directions to our meetings.
